

NUTRIFISH

Introduction

NUTRIFISH is a fish based liquid organic fertilizer for all crops. It is derived using a unique ERMP technology that makes all nutrients and supplements readily available for plant use. It not only contains macro, micro and trace elements, but also contains amino acids from organic source Plant, animal and mined minerals) that are vital and building blocks of sugars and proteins. These nutrients, crucial for growth, development and production with superior in quality are pre-digested for ready to use form for plants uptake. The fish used to make Organic NUTRIFISH fertilizer are from deep-water, bottom-feeders rich in trace minerals and amino acids.

It is an ideal choice for certified Organic growers involved in the production of fruits, vegetables, herbs, flowers, ornamentals, etc. It can be used either as a standalone fertilizer or as a supplement for optimum plant production. Besides drench, NUTRIFISH can be used in drip and foliar applications because of its unique formulation.

Benefits

- Increases soil organic matter & improves soil structure.
- Enhances microbial activity in the soil.
- Rejuvenates the soil and increases availability of the locked nutrient for uptake.
- Provide steady Nitrogen and all other essential nutrients, with trace minerals.
- It continues to work effectively at cooler temperatures.
- It also work as a food source for beneficial soil fungi.
- Increases Cation exchange capacity of soil.
- Compatible with most fungicides, insecticides and herbicides.

Product Characteristics

Appearance: Brown liquid
pH: 3.4 to 4.0
Specific Gravity: 1.08 g/ml

Guaranteed Minimum Analysis

| | |
|---|--------------|
| Total Nitrogen N | 3.0 % |
| Available Phosphoric Acid P₂O₅ | 1.0 % |
| Soluble Potash K₂O | 2.0 % |

Ingredients

Fish, Rock Phosphate, Blood Meal, Calcium Lime, Kelp and Sulphate of Potash.

Direction of Use

Drip/Drench: 10 – 15 L/acre.

Foliar: 4 – 8 L/acre.

Note: Rinse lines after drip application.

Packaging Sizes

25 L, 205 L, 1000 L

Storage & Cautions

- Shake well before use.
- Store Product in a cool and dry place in original container.
- Test compatibility with other products prior to use.
- Avoid contact with skin & eyes and inhalation of spray/dust.
- Recycle container in accordance with federal and provincial regulations.
- Keep product out of reach of children.

Conditions of sales and limitations of Warranty & Liability:

There are no implied warranties of merchantability or fitness with respect to the product, nor are there any expressed warranties other than as many be contained in any guaranteed analysis that may accompany the product.
