

Ammonium Sulphate

Introduction

Ammonium Sulphate is a source of Ammonical Nitrogen (N) and Sulphur (S). It contains 21% Nitrogen (N) and 24% Sulphur (S) in readily soluble form, suitable for all agricultural operations. It is an economical source of Nitrogen (N) and Sulphur (S). It can be included in regular fertilizer program for fertigation or as a foliar spray.

Benefits

- Readily available source of Nitrogen and Sulphur.
- Boost vegetative growth with dark green color of crop.
- Quickly overcome Nitrogen and Sulphur deficiency in crops.
- Compared to Urea, it is less volatile.

Guaranteed Minimum Analysis

Total Nitrogen (N)	21.0%
Sulphur (S)	24.0%

Product Characteristics

Appearance: White Application rates vary and will depend on crop needs, and growing conditions. For crop specific usage contact your local sales representative. Soil & tissue analysis can be a good guide crystals

Bulk Density: 1100 kg/m³ (68 lb /ft³)

pH: 5.5 (0.1 M aqueous solution)

Ingredients

Ammonium Sulphate

Direction of Use

The application rate will depend on the soil analysis, crop needs and yield targets. Suitable for use in drip, drench or as a foliar application.

Packaging Sizes

25 kg, 1000 kg

Additional sizes are available on request.

Storage & Cautions

- Store Product in a cool and dry place in original container.
- Test compatibility with other products prior to use.
- Avoid contact with skin & eyes and inhalation of spray / dust.
- Recycle container in accordance with federal and provincial regulations.
- Keep product out of reach of children.

Conditions of sales and limitations of Warranty & Liability:

There are no implied warranties of merchant ability or fitness with respect to the product, nor are there any expressed warranties other than as many be contained in any guaranteed analysis that may accompany the product. Seller shall not be liable for any special indirect, incidental or consequential damage or expense of any nature, including but not limited to lost products, property damage or Seller's liability is limited to refund of purchase price as per return policy of company.
