

Epsom Salt (Mg-Sulphate)

Introduction

Magnesium (Mg) is vital element having many important functions in plant physiological process. Its major role is in photosynthesis and chlorophyll. Sulphur is among the important secondary elements and is a part of all proteins and also has role in certain hormones. In case of Sulphur (S) deficiency plants cannot use Nitrogen properly, thus, affects its normal growth and development.

Epsom Salt (Magnesium Sulphate) is an excellent sources of Magnesium (Mg) and Sulphur (S). It is high quality water soluble fertilizer for use on all crops.

Benefits

- Quickly overcomes deficiencies of Magnesium and Sulphur.
- Suitable for use in drip, drench or for foliar application.
- Helps in increasing chlorophyll content in plants.
- Free flowing and lump free.

Guaranteed Minimum Analysis

Magnesium (Mg)	9.8 %
Sulphur (S)	13.0 %

Product Characteristics Appearance:

Fine granules **Solubility:** 100% water

soluble **Bulk Density:** 0.95
g/cm³

pH: 7 (34% solution @ 20 °C)

Ingredients

Magnesium Sulphate Hyptahydrate

Direction of Use

Application rates will vary, will base on crop needs and growing conditions. For crop specific usage contact your local sales representative or crop specialist.

Packaging Sizes

25 kg, 1000 kg

Additional sizes are available on request.

Storage & Cautions

- Store Product in a cool and dry place in original container.
- Test compatibility with other products prior to use. •
Avoid contact with skin & eyes and inhalation of spray/dust.
- Recycle container in accordance with federal and provincial regulations.
- Keep product out of reach of children.

Conditions of sales and limitations of Warranty & Liability:

There are no implied warranties of merchantability or fitness with respect to the product, nor are there any expressed warranties other than as many be contained in any guaranteed analysis that may accompany the product. Seller shall not be liable for any special indirect, incidental or consequential damage or expense of any nature, including but not limited to lost products, property damage or Seller's liability is limited to refund of purchase price as per return policy of company.
