

Mono-Ammonium Phosphate

Introduction

Mono-Ammonium Phosphate (MAP) is fully water-soluble fertilizer, an efficient source of Phosphorus (P) and Nitrogen (N) for plants. Its high purity and water-solubility make it a favored choice of growers, suitable for use in fertigation or for foliar application.

MAP is an excellent source of water soluble Nitrogen (N) and Phosphorus (P). It is suitable for use in fertigation or as a foliar application for quick response in case of Phosphorus (P) deficiency. Nitrogen (N) in the product helps boost vegetative growth and improves crop color.

Benefits

- Ideal for use in high pH soils.
- High Phosphorus makes it a good starter fertilizer.
- 100% solubility with no residues.
- Free flowing with no lumps.
- UV protected packaging for maximum benefit.
- It is compatible with most water soluble fertilizers and pesticides. Perform compatibility test!

Guaranteed Minimum Analysis

	61.0%

Product Characteristics

Appearance:	Powder
Bulk Density:	60-64 lbs/ft ³
pH:	4.5 – 4.9 in 1% solution
Solubility:	Soluble in water

Ingredients

Mono-Ammonium Phosphate

Direction of Use

Application rates will vary based on plant needs and growing conditions. For correct dose soil/tissue analysis is recommended. For crop specific usage contact your local sales representative.

Packaging Sizes

5 kg, 25 kg, 1000 kg

Additional sizes are available on request.

Storage & Cautions

- Store Product in a cool and dry place in original container.
- Test compatibility with other products prior to use.
- Avoid contact with skin & eyes and inhalation of spray / dust.
- Recycle container in accordance with federal and provincial regulations.
- Keep product out of reach of children.

Conditions of sales and limitations of Warranty & Liability:

There are no implied warranties of merchant ability or fitness with respect to the product, nor are there any expressed warranties other than as many be contained in any guaranteed analysis that may accompany the product. Seller shall not be liable for any special indirect, incidental or consequential damage or expense of any nature, including but not limited to lost products, property damage or Seller's liability is limited to refund of purchase price as per return policy of company.
