

# TURF WINTER CARE

## Introduction

For normal lawns growth & development all nutrients are vital. However, requirement of each element varies depending on species, cultivars, soil moisture content and time of the year. Preparing lawns for winter is an important task, as winter can often be unpredictable and may put lawns under extreme conditions. Therefore, it is important that lawn are prepared for harsh winter conditions.

TURF WINTER CARE a specialized liquid supplement designed to tackle chlorosis and winter stresses. It is powerful combination of Iron, Copper, Manganese and Zinc that immediately overcome micronutrients deficiencies (chlorosis) in lawns and all other ornamentals, especially acid loving ones. Its application correct chlorosis in 24-48 hours and autumn application prepares lawns for winter stress. It should be used as part of regular lawns & turf maintenance to enhance rich coloring, or to correct chlorosis and it also helps in coping winter stress.

## Benefits

- Quickly correct micronutrients deficiency and chlorosis.
- Promotes early spring green up.
- Improves crop tolerance against winter stress.
- Rapidly absorbed by the leaves/plants and overcome micronutrients deficiencies.

## Guaranteed Minimum Analysis

Iron (Fe)	2.0 %
Copper (Cu)	0.5 %
Manganese (Mn)	1.0 %
Zinc (Zn)	1.0 %

## Product Characteristics

Appearance:	Light brown liquid
pH:	4.0 – 4.5
Specific Gravity:	1.20 g/ml
Solubility:	Soluble in water

## Ingredients

Ferrous Sulphate, Copper Sulphate, Zinc Sulphate, Iron, Copper, Manganese and Zinc EDTA.

## Direction of Use

TURF WINTER CARE can be used through foliar or drip/drench.

Apply to all type of grasses in early spring and fall. Use enough water to ensure uniform coverage. **Don't overwater!**

Use: 1 L/1000 sq. m.

## Packaging Sizes

5 L, 10 L, 25 L, 205 L, 1000 L.

Additional sizes are available on request.

## Storage & Cautions

- Shake well before use.
- Store Product in a cool and dry place in original container.
- Test compatibility with other products prior to use.
- Avoid contact with skin & eyes and inhalation of spray/dust.
- Recycle container in accordance with federal and provincial regulations.
- Keep product out of reach of children.
